"THIS IS NOT A MEDICAL SCHEME AND THE COVER IS NOT THE SAME AS THAT OF A MEDICAL SCHEME. THIS POLICY IS NOT A SUBSTITUTE FOR MEDICAL SCHEME MEMBERSHIP. THE MASTER POLICY ISSUED IS THE SOURCE OF ALL BENEFITS, RIGHTS, AND OBLIGATIONS AND EXCLUSIONS. TO DETERMINE YOUR INDIVIDUAL NEEDS, WE SUGGEST THAT YOU CONTACT YOUR BROKER AND REQUEST ADVICE FROM HIM / HER."

Where your Medical Scheme ends,

Gap Plus begins

Medical Schemes have revolutionised health. They give ordinary people access to advanced life-saving medical procedures that are too costly for most people. Indeed, medical technology and procedures are advancing ever faster, becoming more complicated and more expensive. Medical Schemes and members simply can't keep up.

This expanding gap between medical scheme coverage and the actual fees charged by private healthcare providers has created a financial shortfall with devastating consequences. You, the Medical Scheme member, are liable to pay the outstanding amounts.

That is where Ambledown Gap Plus steps in.
When the Specialists you need charge more than the rates your Medical Scheme pays, our products cover the shortfall, so you do not have to. Simply put, Ambledown Gap Plus covers the gap.

2027 Product Range

The health of your family is in caring hands.

Ambledown cares about more than just your medical bills (although, we REALLY care about that). We love what we do. We get excited about every claim we pay because it represents a family that we have helped through a tough situation.

The Ambledown team investigates and identifies shortfalls in Medical Scheme cover to help you mitigate the financial risks that come with life's health risks. That is why we have built the Ambledown Gap Cover Series.

This Insurance Product is designed to protect you and your immediate family from the shortfall (Gap) resulting from any medical practitioner charging above the Medical Scheme Tariff for in-hospital surgical procedures and for certain out of hospital procedures.

Ambledown Gap Plus has the perfect combination of benefits for your individual needs.

Major Medical Co-payment/Deductible Cover

Major Medical Co-payment/Deductible Cover provides for charges in the form of a co-payment or deductible applied for in-hospital admissions and charges in the form of a co-payment or deductible for major medical out-patient treatment limited to specialised diagnostic radiology, namely MRI, CT and PET Scans.

A Co-payment is an upfront payment charged by the Medical Scheme payable to the Medical Services Provider prior to undergoing the procedure. The co-payment or deductible amounts applied are as per the rules of the patient's registered Medical Scheme.

Penalty Co-Payment

The benefit includes a once-off payment per family, per year for the penalty imposed by a Medical Scheme for the use of a non-network hospital. The benefit is limited to R15,000.

Casualty Ward Benefit

Casualty Ward Benefit covers you for emergency treatment received in a casualty unit of a hospital, provided that such treatment is not for routine physical treatment or any other medical examination or treatment other than emergency medical treatment.

Limitation

Treatment in a casualty unit of a hospital is subject to a specific limitation of R11,000 per insured person per year.

You are covered when immediate treatment is required and your Medical Scheme does not provide you with cover and you become liable to pay the cost of the casualty event. This benefit will cover the facility fee, consultations, medications, radiology, and pathology associated with admission to a registered hospital's casualty facility.

All Gap Cover Benefits listed above are limited to **R226,881** per insured person per year or any higher amount which may be published by the Regulator during the year.

Underwriting matters which are of importance

- Please note that this product will assist with the medical expense short-falls for in-hospital expenses and certain out-of-hospital expenses and does not provide cover for day-to-day expenses once your Medical Savings Account has been depleted, nor will it cover your expense if you are in the self-payment gap.
- The minimum entry age for the Principal insured person is eighteen (18) and the maximum entry age is sixty-five (65). Applicants sixty-six (66) and older have the option of selecting products for seniors.
- Extended Family Dependants: (parents, parents-in-law, adult children, etc.) A family is defined as the principal insured and immediate family, which includes the spouse and eligible children. Extended family dependants are not considered as part of the family.
- "An Eligible Child" is a natural/biological child, stepchild or legally adopted or foster child of the Principal Insured Person, who has not attained the age of twenty-one (21), is not otherwise insured under this or a similar policy, and is covered by a registered Medical Scheme.
    - This age may be extended in respect of an unmarried child who is a dependant on the Principal Insured Person or Spouse's Medical Scheme, who has not attained the age of twenty six (26).
    - There will be no age restriction for children who are either mentally or physically incapacitated from maintaining themselves, provided that the children are wholly dependent on the Principal Insured Person for support and maintenance. The determination of mental or physical incapacity will be based on a diagnosis, as classified by the attending Medical Practitioner, rather than on the symptoms presented.
    - There is no limit to the number of children covered by the policy.
- Continuation: Any individual may apply to continue cover if that individual was a member of a group policy and terminates his employment. Ambledown has the right to alter the premium rates to individual rates or adjust the premium for the additional costs of the debit order and other administrative tasks. Terms and conditions shall apply according to the new contract issued.
- No benefit shall be payable for the severe illness benefit if the Insured Person was diagnosed with Cancer (as defined) prior to the inception of this Policy.
- Insurance benefits detailed in this document are subject to a cell captive relationship between Guardrisk Insurance Company Limited (Cell Insurer) and Vida Product Services (Pty) Ltd (Cell Owner), as a result of a shareholder and subscription agreement concluded between the Cell Insurer and the Cell Owner, whereby the Cell Owner is entitled to share in the profits and losses generated by the insurance business. Ambledown operates as an Underwriting Manager Agency (UMA) operating on behalf of the Cell Insurer and Cell Owner. Therefore, this is an arrangement whereby Guardrisk shares equity with the Cell Owner through a shareholding arrangement and provides the Cell Owner a vehicle through which to write the Cell Owner's insurance risk.
- This is not a Medical Scheme and the cover is not the same as that of a Medical Scheme. This policy is not a substitute for Medical Scheme membership.

Waiting Periods

- Ambledown will apply the three (3) month general waiting period condition to all applications for new membership.
- The only time we would not apply the three (3) month general waiting period is:

    - Claims qualifying as an accident in terms of the policy definition, or
    - If the client changes gap cover policies with similar benefits offered by different product providers with the same insurer (GICL).
- A twelve (12) month pre-existing clause applies. The clause excludes claims for any treatment received for a condition for which treatment or advice has been received in the twelve (12) months prior to the inception of the policy. The intention is to exclude any benefit where treatment or advice was received twelve (12) months prior to inception. Once membership is greater than twelve (12) months, then benefits are payable regardless of the date in which the illness manifested itself or the injury occurred.
- Benefit upgrades: A three (3) month general waiting period and twelve (12) month pre-existing clause will apply to the additional benefits obtained when a member upgrades cover. The existing benefits enjoyed prior to the upgrade will not be subjected to the waiting periods mentioned.
